Re: Request for Performance of Cleanup Actions  
Avery Landing Site, Shoshone County, Idaho

Dear Mr. Field:

As requested in your letter dated March 18, 2011 regarding the above captioned subject matter, the Federal Highway Administration (FHWA) is amenable to the approach toward cleanup of the Site as outlined in your letter. FHWA will enter into an agreement which commits us to perform removal actions determined by the EPA to be necessary for property of the United States at the Site which is under the jurisdiction and control of the FHWA.

Please direct all future correspondence to Mr. Mike Traffalis, Project Manager, at this address. Mr. Traffalis may be reached at (360)619-7787 and electronic mail at [michael.traffalis@dot.gov](mailto:michael.traffalis@dot.gov).

We appreciate your notification of this issue and look forward to working with the EPA to effectively clean up this Site and resolve this situation.

Sincerely,

  
for Clara H. Conner  
Division Engineer
